Promotion of fisheries

3. (1) The Minister may take such measures as he shall see fit to promote the development of fishing and fisheries in Kiribati to ensure that the fisheries resources of Kiribati are exploited to the full for the benefit of Kiribati.

(2) Subject to section 99 of the Constitution, the Minister may appoint a Chief Fisheries Officer and such other fisheries officers and licensing officers as he may consider necessary for carrying out the purposes and provisions of this Ordinance.

PART II LICENSING

Licensing of local fishing vessels

4. (1) Subject to any direction given by the Minister a licensing officer may, upon written application in the prescribed form and upon payment of the prescribed fee, grant a licence in the prescribed form in respect of any local fishing vessel:

Provided that no licence shall be granted to any local fishing vessel which is a vessel to which section 15(1) of the Shipping Ordinance applies unless there is subsisting a valid and unexpired certificate of seaworthiness issued in respect of that fishing vessel under section 13 of that Ordinance.

(Cap. 93)

(2) Every licence granted under subsection (1)-

(a) shall not, except with the prior written approval of the Minister endorsed on the licence, extend beyond 1 year from the date of issue thereof; and

(b) shall be personal to the holder; and

(c) shall not be transferable; and

(d) shall be subject to such conditions as may be prescribed and to such further conditions as the licensing officer shall think fit to endorse thereon; and

(e) shall not, except with the prior written approval of the Minister endorsed on the licence, confer on the licensee any exclusive right to fish.

(3) It shall be a condition of every licence granted under subsection (1) that there shall be marked and kept marked on the vessel in respect of which the licence is granted such letters and numbers

of identification as may be assigned to that vessel by the licensing officer, in such manner as he may specify or as may be prescribed.

(4) Any person who operates or causes or allows to be operated any local fishing vessel within the fishery limits or in the lagoon or inland waters of Kiribati except under a valid licence granted under this section in respect of that vessel and in accordance with the conditions of such licence shall be liable on conviction to a fine of \$200 and to imprisonment for 6 months.

Entry and fishing by foreign vessels within the fishery limits

5. (1) No foreign fishing vessel shall-

(a) enter within the fishery limits except for a purpose recognised by international law; or

(b) fish or attempt to fish within the fishery limits; or

(c) load, unload or tranship any fish within the fishery limits;
or

(d) load or unload any fuel or supplies within the fishery limits,

unless authorised to do so under a permit granted under this Ordinance.

(2) A foreign fishing vessel entering the fishery limits for a purpose recognised by international law without a permit granted under this Ordinance shall return outside those limits as soon as that purpose for which it entered them has been fulfilled.

(3) The Chief Fisheries Officer may, with the approval of the Minister, grant a permit in the prescribed form in respect of any foreign fishing vessel, authorising such vessel to do such of the things described in subsection (1) as may be provided for in the permit.

(4) A permit under subsection (3) may be granted to a registered or incorporated association of shipowners if-

(a) the Minister is satisfied at the time when the permit is sought that there exists between the Republic and that association an agreement that is valid and enforceable under the law of the country in which the association is domiciled for the benefit of the Republic in the implementation of the provisions of this Ordinance (hereinafter referred to as a "multiple permit agreement"); and

(b) the multiple permit agreement specifies, in terms acceptable to the Minister, the circumstances under which a member of the association of shipowners may be authorised pursuant to this Ordinance in respect of any foreign fishing vessel to do such of the things described in subsection (1) as if that member had been granted a permit under subsection (3); and

(c) there is a term of the multiple permit agreement under which the maximum number of members of the association is stipulated who may enjoy the rights and benefits conferred by this section and who shall be subject to the provisions of this Ordinance; and

(d) the association of shipowners covenants with the Minister to provide the master of any foreign fishing vessel authorised pursuant to paragraph (b) with a translation in Japanese of the conditions of a permit granted under subsection (3).

(5) A permit granted under subsection (4) shall be severable at the election of the Minister and if thus severed any breach by any member of an association of shipowners to which such a permit has been granted under subsection (3) shall be subject to cancellation or suspension pursuant to section 7(1) in respect of that member as if the permit has been granted to that member.

(6) Unless the Minister is satisfied that the management or managing body of the association has not contributed in any way, either before or after the contravention of the permit by the member of the association, to the default of the member leading to the right to cancel or suspend the licence, the licence shall not be severed in respect of the member in default but shall be treated as a single and indivisible licence subject to suspension or cancellation as against the association of shipowners and in respect of each member of that association.

(7) A member of an association to which a permit has been granted under subsection (4) shall be subject to the same penalties, obligations, duties and powers prescribed and exercisable under this Ordinance as if that member had been granted a permit under subsection (3).

(8) An association with which a multiple permit agreement has been made and to which a permit has been granted under subsection (4) shall not be deemed to be a licensing officer.

(9) The payment of fees and royalties due under subsection (11)(b) shall be due and payable by an association to which a permit is granted under subsection (4).

(10) The amount payable under subsection (9) of this section shall be calculated by reference to the number of members stipulated in the multiple permit agreement.

(11) A permit granted by the Chief Fisheries Officer under this section shall be subject to-

(a) such conditions as may be prescribed, and to such further conditions as may be endorsed upon the permit by the Chief Fisheries Office; and

(b) to the payment of such fees and royalties as may be determined by the Chief Fisheries Officer with the approval of the Minister.

(12) A permit granted by the Chief Fisheries Officer under this section shall not confer any exclusive right to fish unless the permit expressly so provides.

(13) The fishing gear of any foreign fishing vessel which is prohibited by this section from fishing within the fishing limits shall, while the vessel is within those limits be stowed in such manner as may be prescribed.

(14) Where any foreign fishing vessel contravenes any of the provisions of this section, the master, owner and charterer, if any, of such vessel shall each be liable on conviction-

(a) in the case of a contravention of subsection (1), to a fine of \$100,000; and

(b) in the case of a contravention of subsection (2) or subsection (13), to a fine of \$25,000.

(15) Where any foreign fishing vessel contravenes any of the conditions of a permit granted under this section, the master, owner and charterer, if any, of such vessel shall each be liable on conviction to a fine of \$25,000.

Fish processing establishment

6. (1) The Chief Fisheries Officer may, with the approval of the Minister and on payment of the prescribed fee, grant to any person a licence in the prescribed form to operate a fish processing establishment, subject to such conditions as may from time to time be prescribed and to such further conditions as may be endorsed upon the licence by the Chief Fisheries Officer.

(2) Any person who operates, or causes or allows to be operated, any fish processing establishment except under a valid licence granted under this section in respect of that fish processing establishment and in accordance with the conditions of such licence shall be liable on conviction to a fine of \$200 and to imprisonment for 6 months.

Cancellation and suspension of licences and permits

7. (1) Where any of the conditions of any licence or permit is contravened the Chief Fisheries Officer may cancel the licence or permit, or suspend such licence or permit for such period as he may think fit.

(2) Any person aggrieved by the refusal of any licensing officer to issue any licence granted under this Ordinance, or by the cancellation or suspension of any licence or permit granted under this Ordinance, may appeal against such refusal, cancellation or suspension to the Minister, whose decision shall be final.

PART III

Power to stop, board, search vessels, etc.

(a) following hot pursuit as recognised by international law and commenced within the fishery limits, stop, board and search outside the fishery limits any foreign fishing vessel which he believes has been used in the commission of that offence within the fishery limits, or in relation to which he believes such offence has been committed, and bring such vessel and all persons and things on board it within the fishery limits; and

(b) within the fishery limits-

shall be liable on conviction to a fine of \$200 and to imprisonment for 6 months, and if the obstruction or non-compliance takes place on board or alongside a vessel the master of the vessel shall be liable on conviction to a like penalty.

Authorised officers to declare office, etc.

11. Any authorised officer acting in the exercise of his powers under this Ordinance shall, on demand, produce such document of identification or other evidence as may be reasonably sufficient to show that he is an authorised officer for the purpose of this Ordinance.

Non-liability of authorised officers

12. No authorised officer shall be personally liable in respect of any act done or omitted to be done by him in good faith in the execution or purported execution of his powers and duties under this Ordinance.

PART IV ADDITIONAL OFFENCES AND LEGAL PROCEEDINGS

13. Any person who, being on board any vessel being pursued or about to be boarded by any authorised officer, throws overboard or destroys any fish, fishing gear, explosive, poison, noxious substance or any other thing whatsoever, with intent to avoid the seizure of such fish, fishing gear, explosive, poison, noxious substance or thing, or the detection of any offence against this Ordinance, shall be liable on conviction to a fine of \$400 and to imprisonment for 1 year.

Fishing with explosives, poison and other noxious substances

14. (1) Any person who-

(b) carries or has in his possession or control any explosive, poison or other noxious substance in circumstances which raise a reasonable presumption that such an explosive, poison or other noxious substance is intended to be used for any of the aforesaid purposes,

shall be liable on conviction to a fine of \$200 and to imprisonment for 6 months.

(2) Any person who, knowing or having reasonable cause to believe that any fish has been taken in contravention of the provisions of this section, without lawful excuse, receives or is found in possession of such fish shall be liable on conviction-

(b) where no such presumption arises, to a fine of \$50 and to imprisonment for 2 months.

Forfeiture of gear, fish and vessels

(2) Any vessel, fishing gear, instrument or appliance seized under section 9 which is not ordered to be forfeited under section 15 shall be returned to its owner.

(3) where any vessel, fishing gear, instrument or appliance, fish or fish product has been seized under section 9 the court may order its release on receipt of a satisfactory bond or other security from any person claiming such property, conditioned on such person-
